Infopark, nestled in Kochi, Kerala, is a government-owned IT hub established in 2004. Spanning an impressive 323 acres, it has expanded with additional campuses in Koratty (Thrissur district) and Cherthala (Alappuzha district). A significant portion of its land is designated as an IT/ITES-specific Special Economic Zone (SEZ) by the Ministry of Commerce and Industry. Today, Infopark hosts over 582 companies across its campuses, providing employment to more than 70,000 IT professionals.
